GRATEFUL—COMFORTING.

EPPS'S COCOA.**BREAKFAST.**

"By a thorough knowledge of the natural laws
which govern the operations of digestion and nu-
trition, and by a careful application of the fine
properties of well-selected cocoa, Mr. Epps has
prepared our breakfast tables with a delicately
flavoured beverage which may save us many
heavy doctor's bills. It is by the judicious use of
such articles of diet that a constitution may be
gradually built up until strong enough to resist
every tendency to disease. Hundreds of subtle
maladies are floating around us ready to attack
wherever there is a weak point. We may escape
many a fatal shaft by keeping ourselves well
fortified with pure blood and a properly nourished
frame."—See article in the Civil Service Gazette.
